Honorable Judith T. Won Pat, Ed.D.
Speaker
32nd Guam Legislature

Date: 9.11.14
Time: 11:32am
Received By: 

Dear Madam Speaker,

I signed the budget into law, with certain reservations, but an overall attitude of gratitude for this bipartisan effort that will produce the fourth balanced budget in a row.

Conservative revenue estimates

For the most part, the Legislature has adopted our revenue projections. These projections were constructed upon a formula that has under-projected revenues the past three fiscal years. This, in large part, led to the surplus. While I am weary of the increase in revenue projections for the special funds, I am comfortable with the overall levels, including the Provision for Tax Refunds.

Spending plan sticks to priorities of the people

For the fourth year in a row, GovGuam has passed a budget that reflects the priorities of our community. About 33.9 percent of revenues available for appropriation is budgeted for the education agencies. We increased funding to public schools alone by 5 percent, or \$11.2 million. Another 18.8 percent of the total budget pie will go to provide medical and health care services our people. Over 20 percent of the budget will fund the people who keep our families safe and respond to our emergency needs. That is 73% of the entire budget pie going to the priority services of our community.

Thank you for funding the programs we pushed for

Madam Speaker, I am particularly grateful for the Legislature's approval of the programs we pushed to fund together. These programs and funding priorities will make a big difference for students and parents, senior citizens, farmers, and GovGuam employees.

1. Thank you for funding our policy to open pre-K to all four-year-olds regardless of income level or any other discriminating factor.
2. Thank you for authorizing me to pay law enforcement officers their retroactive salary payments.

2. Thank you for authorizing me to pay law enforcement officers their retroactive salary payments.
3. Thank you for authorizing me to make the employees of the General Pay Plan whole with retroactive payment to February.
4. Thank you for including senior citizens from the South into the continuum of care, providing the ways and means to ensure their daycare services.
5. Thank you for providing the funding needed to feed senior citizens hot meals on Sunday. Now, for the very first time, these seniors will have hot meals seven days a week. God bless you.
6. Thank you for granting the late Sen. Ben Pangelinan's wish to increase the COLA to retirees.
7. Thank you for funding the Department of Agriculture so that farmers can receive better services.

We ask you to fix administrative provisions that hamper our ability to work with this budget

My office is working on a proposal to fix administrative provisions that, if left as they are, will tie our hands in the effective management of the budget. We look forward to working with you and all senators once we identify these sections and propose changes. These changes will include some minor corrections to the numbers as well.

Thank you for your bipartisanship and professionalism. I'm sure the people of Guam are proud of their government today. They surely will benefit from these prudent decisions in the upcoming fiscal year.

Sincerely,

EDDIE BAZA CALVO
