Dear Speaker Barnes:

Enclosed is the Consolidated Revenue/Expenditure Report (CRER) for the period ending January 31, 2020. There are several statutes requiring monthly reports of revenues in addition to a report requiring both revenue and expenditure comparisons. In an effort to mitigate misunderstanding of the different amounts being reported, it was necessary to submit a "consolidated" report which contains all the comparative information pursuant to each of the statutory reporting requirements. In this format, it is evident that there are varying numbers due to the different "basis of comparison". It should be noted that the amounts reflected in this report are subject to internal audit and analysis and therefore are subject to change, which is the nature of these interim reports. However, it is submitted to meet compliance with each reporting mandate.

Please also note that the report has been prepared and submitted to comply with Public Law 35-36. The law required reporting of revenue in a manner which is not in compliance with Generally Accepted Accounting Principles (GAAP) or Government Accounting Standards Board (GASB) requirements. Stakeholders are cautioned that the report is not an accurate reflection of the financial position of the Government of Guam nor should it be compared to prior reports that were prepared in accordance with GAAP.

It is important to note that the report does not include ACTC collections as part of the revenue levels. ACTC amounts are reflected as footnotes for information purposes only.

Should you have any questions, please do not hesitate to call me.

Senseramento

LESTER L. CARLSON, JR.
