Notes:

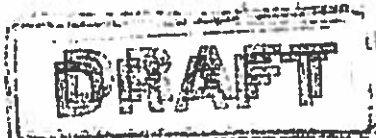

1. Revenues are based on the actual billed base and current interest measurement base. During the year, revenues are recognized when collected at amounts receivable to amount. In accordance with GASB 33 Accounting and Financial Reporting for Issues Change Provisions, a year-end accrual is made to adjust collections relating to prior years (also estimated 60 days after the 2018 closing). Estimates are recorded for the Payment to Provider. Section 96 revenues are provided over 12 months using straight line.
