Notes:

1 Revenues are based on the modified accrual basis and current financial resources measurement basis. During the year, revenues are recognized when related to benefits susceptible to accrual. In accordance with GASB 31, Accounting and Financial Reporting for Nonexchange Transactions, at year-end an accrual is made for actual liabilities relating to prior-year taxes collected 90 days after the ODSB closing. Estimates are recorded for the Provisions for Refunds. Section 10 revenues are presented over 12 months using straight-line.
