Thirty-Third Guam Legislature  
155 Hesler Place  
Hagåtña, Guam 96910

Dear Speaker Won Pat:

Enclosed is the Consolidated Revenue/Expenditure Report for the period ending September 30, 2015. There are several statutes requiring monthly reports of revenues in addition to a report requiring both revenue and expenditure comparisons. In an effort to mitigate misunderstanding of the different amounts being reported, it was necessary to submit a "consolidated" report which contains all the comparative information pursuant to each of the statutory reporting requirements. In this format, it is evident that there are varying numbers due to the different "basis of comparison". It should be noted that the amounts reflected in this report are subject to internal audit and analysis and therefore are subject to change, which is the nature of these interim reports. However, it is submitted to meet compliance with each reporting mandate. It is important to note that the Department of Administration, Department of Revenue and Taxation and the Bureau of Budget and Management Research are continuing their efforts to improve the format, content and usefulness of this report.

Should you have any questions, please do not hesitate to call me.

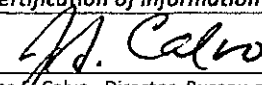

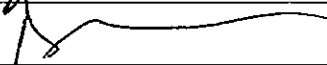

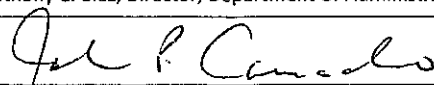

Sincerely,

  
JOSE S. CALVO
