4. All contractual requirements, equipment and supplies should be listed in order of priority.

6. Budgeting for overtime must be justified.
7. A departmental organization chart must be submitted.
8. All anticipated travel should be budgeted and justified.
9. See FY 2026 Budget Call package for additional guidelines.

All budget submissions should be presented at maintenance levels, exercising budgetary and fiscal discipline while maintaining critical service needs.

The Budget Call package, containing appropriate instructions for the budget preparation, will be available for download from BBMR's website (<http://bbmr.guam.gov>). Please be reminded that various budgetary forms have been electronically linked into one Master File to facilitate the preparation of each department's budget and that BBMR has customized the Master File of each line department or agency, by eliminating unused form sheets and by standardizing the links of various budgetary forms. Please contact your assigned Analyst at BBMR for your department's version of its Master File, involving these changes and for the need of additional form sheets as required.

All Master File departmental versions have the same standard forms consisting of:

1. Budget Digest Form [BBMR BD-1]
2. FY 2026 Proposed Staffing Pattern [BBMR SP-1]
3. FY 2025 Current Staffing Pattern [BBMR SP-1]
4. Travel Authorization Form- Schedule A [BBMR TA-1]
5. Operations Schedules Form-Schedules B~F [BBMR 96A - Revised]

The submission deadline to BBMR for all departmental budgets is Friday, December 20, 2024 (COB).

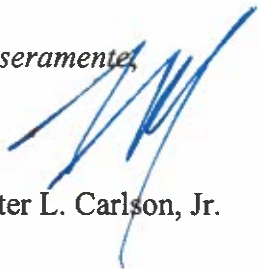

This budget submission is to include one (1) hard copy and one (1) CD or USB flash drive copy of the electronic format (Excel for spreadsheets and Word for narratives) of your departmental budget. BBMR will review the submissions with the understanding that most, if not all budgets may be adjusted based on the level of funding projected for FY 2026. You will be informed should adjustments be necessary.

Be reminded, that all department budgets must be prepared and submitted using these standard budgetary forms, which are linked electronically in your departmental Master File. Because these forms are electronically linked, they must not be edited or altered in any way (i.e., deletion of worksheets within the Excel file, etc.).

Should you have any questions or require assistance, please contact your assigned Analyst at 475-9412 / 9106.

Thank you for your cooperation and support.

Senseramente,

Lester L. Carlson, Jr.

Budget Guidelines

Fiscal Year 2026

1. All Departments and Agencies shall prepare their FY 2026 Budgets to cover personnel and operational cost. Personnel costs should only be **for currently filled positions, for BBMR approved recruitment GG1s authorized in FY 2025 and for salary increments prospectively** where applicable annually. All budgets should be reflective of funding for critical needs and, where possible, the implementation of cost-cutting measures in the spirit of efficiency and effectiveness. To ensure budget review completion, agencies should adhere to established guidelines.
2. All agencies shall prepare the FY 2026 Budget using the attached forms. All information requested on the attached form must be completed. Where information requested is not applicable, indicate "N/A."
3. Each program must complete a Program Budget Digest form (BBMR BD-1) (e.g., one Program Budget Digest form per program). The same method will follow for the Agency Staffing Pattern Form (BBMR SP-1), Federal Program Inventory Form (BBMR FP-1) and Equipment Listing-Space Requirement Form (BBMR EL-1).
4. Attached for use in completing the agency's staffing patterns are the FY 2025 medical and dental insurance rates, salary and increment schedule based on the 2023 General Pay Plan, 2022 Public Safety and Law Enforcement Pay Schedule, and 2024 Nurse Pay Plan where applicable. Please note that the insurance rates have yet to be negotiated for FY 2026. The revised schedule will be distributed to all agencies by the Department of Administration. Upon receipt of the revised schedule, amounts in the FY 2026 Staffing Patterns must be adjusted accordingly.
5. A Budget Document Checklist is attached for the department to use as a basic guide before submitting its budget. If the department fails to meet all the requirements contained in the checklist, the budget document will be promptly returned and no further review will be conducted until all requirements have been addressed. If an item is not applicable, indicate "N/A." This checklist must be submitted to the Bureau along with the department's budget document.
6. A Departmental Organizational Chart (Appendix A) must be submitted with the Budget Document.
7. FY 2026 (Proposed) and FY 2025 (Current) Staffing Patterns are required to be completed and submitted for *all* departmental staff. This is inclusive of all positions funded via local, local matching and 100% federal funds. **Staffing patterns must be presented exactly as provided on the standard form available on the website. No variation or substitution to the format, both in presentation and content will be accepted. For departments/agencies with multiple divisions/programs, an overall departmental summary page, using the same staffing pattern format must be included.**

An electronic version of the FY 2026 Budget Call is available at the Bureau's website:
<http://bbmr.guam.gov>.

Decision Package Form
[BBMR DP-1]
Instructions

This Form must be summarized and completed for all programs where applicable.

PROGRAM TITLE: Identify division or section name.

ACTIVITY DESCRIPTION: Identify activities associated with divisional program goals for the upcoming fiscal year.

MAJOR OBJECTIVE(S): Identify one or more major activities that would accomplish a specific program goal or goals identified for the fiscal year. The number of objectives is dependent on the number of program goals identified within a division and how many objectives are assigned to that one specific program goal.

SHORT-TERM GOALS: Identify division program goals to be accomplished or achieved during the fiscal year.

WORKLOAD OUTPUT: Identify tasks that quantitatively address the level of accomplishment from the previous fiscal year. To accomplish such objective, a historic review must be made for the number of tasks accomplished for the year and the cost of such tasks based on the following chronology:

- ◆ The increase or decrease of each task using FY 2024 as a baseline.
- ◆ The increase or decrease of each task for FY 2025 from FY 2024.
- ◆ The increase or decrease of each task for FY 2026 from FY 2025.

Once the workload indicators have been identified quantitatively for the proposed fiscal year, the standard of performance is then identified and must be expressed either as an increase or decrease in percentage, dollars, or task units from the previous fiscal year. Lastly, tasks are the same activities reflected in a department's Citizen Centric Report and are the important factors in the accomplishment of specific objectives identified within a program.
